Declaration of Compliance

for articles intended to come into contact with food

Hereby we confirm that our product:

Decanters, dispensers, drinking glasses

complies with the legal regulations laid down in Regulation (EU) No 10/2011, the Regulation (EC) No 1935/2004 in their relevant version.

Description (material/optics): glass

When used as specified, the overall migration as well as the specific migration do not exceed the legal limits. The tests are performed according to the Directives 80/590/EWG 89/109/EWG.

We confirm that the product does not content heavy metals (lead, cadmium, mercury and hexavalent chromium). We confirm that the filled liquid with water and alcohol is not harmful to humans.

This declaration is valid for the product delivered by us as specified above. Under consideration of the food contact conditions stated, the product complies with the stipulations of these Directives regarding the specified foods. The user shall verify himself that the product is suitable for the intended food beyond the stipulations of the Directives.

Daniel Eisen, CEO
